PowerPoint Guidelines

- Font, size, and color for text have been formatted for you
- Use the color palette shown below
- See next slide for additional guidelines
- Hyperlink color: www.microsoft.com

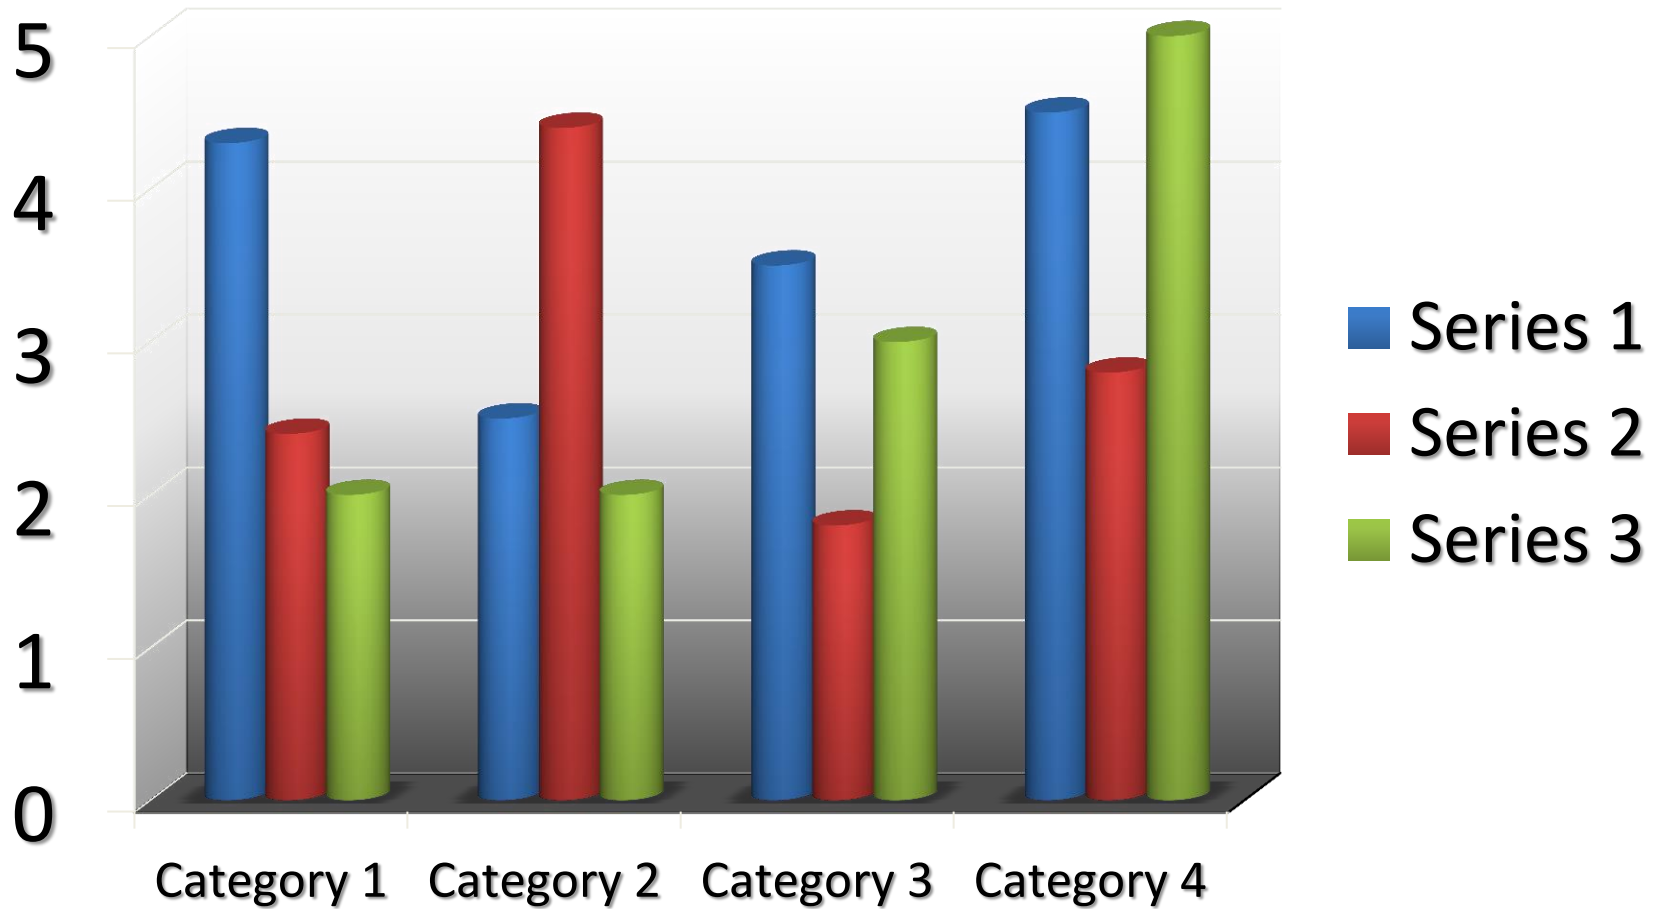

PowerPoint Template

Subtitle color

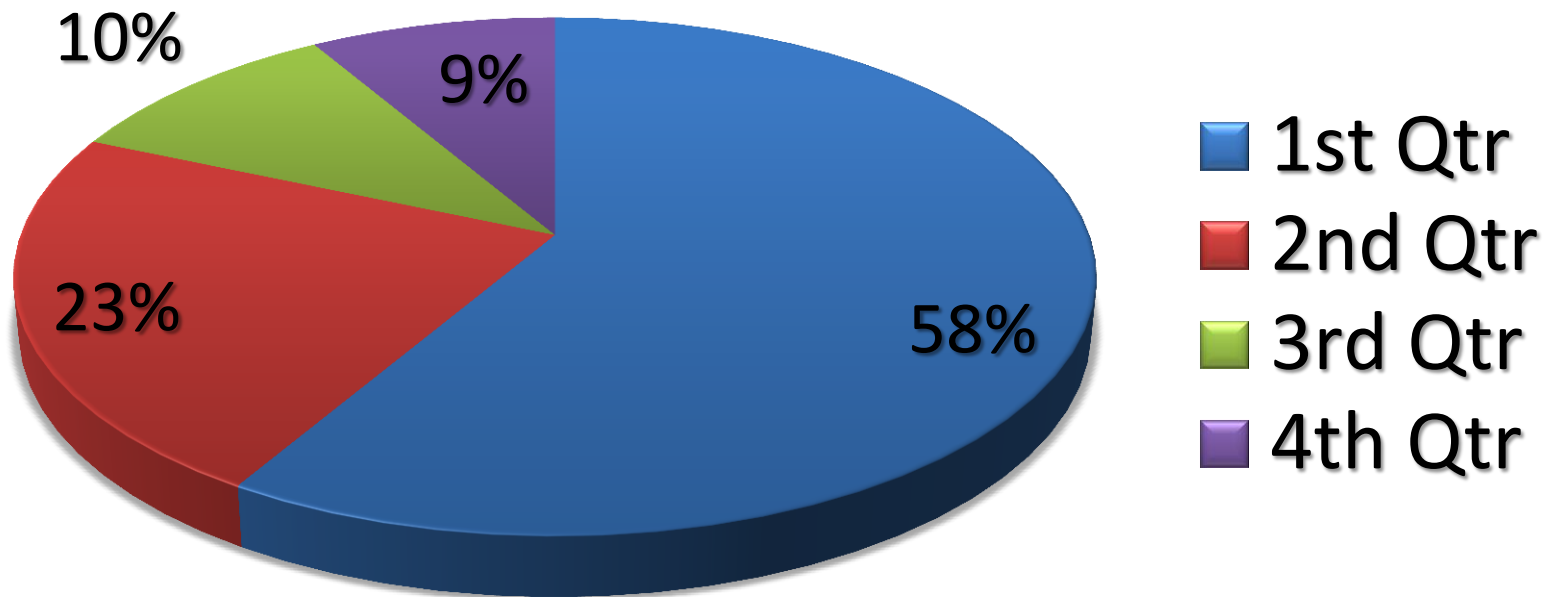

- Example of a slide with a subhead
 - Set the slide title in “title case”
 - Set subheads in “sentence case”
 - Generally set subhead to 36pt or smaller so it will fit on a single line
 - The subhead color is defined for this template but must be selected. In PowerPoint 2007, it is the fourth font color from the left
